

Rich Woodgrain Appearance

Our woodgrain laminates look as good as they perform. Your windows will have the natural appearance of real wood in color, texture and richness. Choose from seven different interior woodgrains and seven different exterior or woodgrains to match the decor of your home or business.

Color Your World

There is a world of possibilities for enhancing the curb appeal of your home or business with color laminate. Choose from ten distinctive colors that look as rich as a painted surface. These low-maintenance selections have a durable pebble matte finish that looks good on the interior or exterior of the window.

Color Laminates — Our interior/exterior color laminates have a unique textured finish that simulates a powder coated matte surface and our silver has the brushed metal appearance of a commercial window.

Technical: VEKA uses laminates that meet AAMA 307 Standards
